EDUCATION

Jaypee University of information Technology (Waknaghat)

Solan, Himachal Pradesh

Bachelor of Technology in Computer Science Engineering

2022- 2026

- CGPA : 7.96
- Relevant Course Work : DBMS, Web-Tech, DSA, OOPS.

Delhi Public School Ghaziabad (Palam Vihar)

Gurugram, Haryana

10+2 (PCM)

2022

TECHNICAL SKILLS

- Programming Languages** : Python, C/C++, JavaScript
- Web Development** : HTML, CSS, JavaScript, React, Node.js, Express.js
- Databases** : MySQL
- Tools & Technologies** : Git

PROJECT EXPERIENCE

DeepFake Detection using Vision Transformers

MINOR PROJECT

- Developed a system to detect deepfake images and videos.
- Utilized Vision Transformers for feature extraction, preprocessed real and synthetic datasets, and integrated machine learning techniques to enhance robustness.
- Achieved high accuracy in deepfake detection with a scalable and efficient pipeline for real-world applications.

Venue Management System

DBMS LAB

- Developed a venue management system to track availability and facilitate bookings within a university.
- Implemented real-time availability checks, a user-friendly interface, and backend development using Python, Django, and MySQL.
- Enabled efficient booking management with seamless scheduling, real-time updates, and conflict resolution.

SOFT SKILLS

- Strong Analytical & Problem - Solving Skills** – Ability to break down complex problems and find optimal solutions.
- Effective Communication** – Clearly conveys ideas and technical concepts to both technical and non-technical audiences.
- Team Collaboration** – Experience working in teams and coordinating with cross-functional members
- Time Management & Prioritization** – Ability to manage multiple tasks, meet deadlines, and prioritize effectively.
- Work Ethic & Professionalism** – Highly responsible, accountable, and committed to delivering quality work.

CERTIFICATIONS

- Infosys Certification** : Data Visualization Techniques (November 20, 2024)
- Udemy certification** : Full-Stack Web Development (February 3, 2025)
